We Need YOU

- While we'd like to have funding fully covered by the school district, that's unfortunately not the case. To help defray some of the cost we look to local businesses and members of the community for assistance.
- Sponsorships are essential to ensure students are reaching their full potential. Your support funds music, instruments, transportation, uniforms, meals and more!

Why Choose Us

The purpose of the Cape Fear High School Band Program is to educate young people through music performance. The Cape Fear High School Band program includes curricular concert ensembles, marching band, winter guard, winter winds and an indoor percussion ensemble. With the core mission of developing students into respectful, professional leaders who strive for excellence, the Cape Fear Band program has been one of the premiere band programs in all of North Carolina. The Cape Fear High School Band is located in Fayetteville, North Carolina, and is under the direction of Mr. Matthew Jorgensen
